

Reinsurance Coverage Declaration

We herewith confirm that Munich Re is reinsuring the Sales and Buyers Insurance Policy which was issued by CPIC (Changshu) to:

Yingli Energy Development Company Limited (Yingli)
Baoding City, Hebei, China

The Sales and Buyers Insurance Policy is a Back-Stop for Yingli Energy Development Company Limited Limited Warranty and protects both the manufacturer and the Buyers of insured photovoltaic modules. Modules that were sold during the Policy Period of 01.01.2024–31.12.2024 are eligible for insurance. Please be aware that not all modules sold by Yingli Energy Development Company Limited during the above mentioned Policy Period are covered by the insurance, but only those that were successfully reported to Munich Re

The terms and conditions have been agreed upon, which include:

- Insurance limit of 6% dedicated exclusively to each PV project / Buyer (no “first-come-first-serve”)
- Insurance Program insures Yingli Energy Development Company Limited Limited Warranty, including Product Defect and Performance Output
- Significant insurance limit for up to 30 years which does not decrease in later years and is non-cancellable (coverage persists even if Yingli Energy Development Company Limited becomes insolvent)
- Minimum size per project 2MW and minimum deductible of 200,000 USD per claim
- Yingli Energy Development Company Limited customers, whose panels have been registered with Munich Re, benefit from an insurance-backed warranty in case of Yingli insolvency or bankruptcy.
- Deductible does not erode the insurance limit
- PV projects are qualified for additional Munich Re insurance (Top-Up Cover / Option Cover)
- Reinsured with a strong capital base: A.M Best **A+**; S&P **AA-**

We recommend that Buyers request a Beneficiary Declaration Letter issued by Munich Re to confirm and verify that their panels have been registered with Munich Re (through a request to Yingli Energy Development Company Limited).
